Worker's Compensation Payroll Classification

The classification code assigned to employees is a key factor in determining premium. We recently prepared a comparison of several districts. "All Other" includes Food Service, Maintenance, Janitorial, Security and often, Transportation. Be certain that clerical employees within these departments are shown as "Clerical". Don't use "All Other" as a "dumping ground".

Code	Classification	TDI Manual Rate/$100	Avg. % of Payroll
7380	Bus Drivers	8.65	2%
8810	Clerical	.30	10%
8868	Professional	.65	78%
9101	All Other	5.31	10%
